

## Summer School August 2021

During August 2021 Links Academy delivered a Summer School open to our young people.

The content of the week looked at student well-being and the pastoral element of school which supports the schools PSHME programme. The activities the students took part in during the week included:

- Healthy eating – preparing food and being creative with food to develop positive relationships with food
- Self-esteem workshop
- Sport – table tennis, football, basketball
- Employability – CV writing and interview skills
- Risk Taking workshop
- Alcohol and Smoking session
- Art and Craft
- Mindful quotes
- Board games

The school received £2000.00 of funding from the government which was spent on running the Summer School -
